Steve,

Attached is PA's draft CWSRF project priority list (PPL) that will be finalized as part of this year's grant application. You previously asked about Capital Regional projects. Capital Regional submitted two applications to PENNVEST that are included on this PPL with detailed project descriptions. This is more information than was provided as part of the press release that I sent you on 6/11/2020. The Capital Regional projects are on pages 19/66 and 20/66.
